

MPLADS DEVELOPMENT WORK PLAN

Sample Document for AI Document Parsing Test

Scheme Name: Community Health Centre Improvement Project

District: Example District

State: Example State

Total Sanctioned Budget: INR 20,00,000

Planned Duration: 8 months

Start Date: 01 April 2026

Expected Completion Date: 30 November 2026

1. Project Components

Component	Expected Amount (INR)	Expected Progress	Unit
Civil renovation	10,00,000	100	percent
Electrical work	3,00,000	100	percent
Medical equipment	5,00,000	100	percent
Furniture	2,00,000	100	percent

2. Implementation Plan

Civil renovation is planned for completion within the first five months. Electrical work is expected to be completed by month six. Medical equipment procurement is planned during months five to seven. Furniture procurement is planned during the final two months.

3. Monitoring Requirements

The implementing agency shall submit expenditure statements and progress reports periodically. All payments must be supported by appropriate bills, vouchers, and work-related documents. The implementing authority shall verify the submitted documents before approval.

4. Important Note

This sample document is intentionally written with explicit project, budget, duration, date, component, expenditure, and progress information so that a document-parsing system can extract and display the information. It is not an official government document.
